

IMPORTANT RENEWAL NOTICE

**TO:** Nebraska Registered Investment Advisers  
**FROM:** Nebraska Department of Banking and Finance  
**DATE:** November 1, 2024  
**SUBJECT:** 2025 CRD/IARD Investment Adviser and Investment Adviser Representative Registration Renewal Notice

**State-registered investment adviser (IA) and investment adviser representative (IAR) registrations expire in Nebraska on December 31, 2024. Please review this document and checklist carefully as some requirements may have changed from previous years.**

Refer to the timetables and payment schedule found in the IARD 2025 Renewal Program as set forth by FINRA at: <https://www.iard.com/renewal-program> for guidance in connection with 2025 Renewals.

All renewal payment fees must be submitted through CRD/IARD. All required electronic form filings must be submitted through CRD/IARD. All Nebraska specific forms and documentation (below) are due by **December 20, 2024**, via the secure Sharefile link emailed to firm contact identified on the Form ADV. If you did not receive an email with the ShareFile link, please contact the Department at [DOB.SecuritiesBureau@Nebraska.gov](mailto:DOB.SecuritiesBureau@Nebraska.gov). Failure to meet any of the above deadlines means you will no longer have an investment adviser and/or investment adviser representative registration in Nebraska on January 1, 2025; therefore, you will be unable to conduct any investment advisory business.

**SUBMIT THE FOLLOWING DOCUMENTS TO NEBRASKA:**

Please complete and include the accompanying Checklist with your remittance via the secure Sharefile link.

1. A current audited Financial Statement is required **if your firm has custody** of client funds. **If your firm does not have custody**, submit a Balance Sheet prepared in accordance with generally accepted accounting principle standards, ("GAAP"), signed by an officer or owner of the firm and attesting that the Balance Sheet is true and accurate ([48 NAC 7.009.02](#)). Financial documents must be current (within 90 days) of the investment adviser's current registration, i.e., dated no earlier than September 30, 2024.
2. A surety bond of \$25,000, if applicable. An IA with a principal office and place of business in Nebraska is required to maintain a minimum net capital of \$25,000 at all times or post a surety bond of \$25,000. An IA with a principal office and place of business located outside of Nebraska must be in compliance with the net capital requirements of its home state. Net capital may not include certain assets described in [48 NAC 7.008.03](#).

3. A copy of all Investment Adviser contracts or agreements including, but not limited to: client contracts, asset management agreements, financial planning agreements, contracts with other Investment Advisers, co-adviser agreements, sub-adviser agreements, third party adviser agreements, or solicitor agreements.

Refer to Title 48, Chapters 7 and 9 of the Department Rules for details pertaining to renewal of state registered investment advisers and investment adviser representatives, available at:

<https://ndbf.nebraska.gov/about/legal/administrative-rules-and-regulations>. Conducting business without renewing on a timely basis is a violation of the Securities Act of Nebraska and may result in Departmental regulatory action.

**If your fees and information are not submitted when required, your registration will be systematically terminated as of January 1, 2025.**

As a reminder, Form ADV Annual Updating Amendments are due through IARD, no later than March 31, 2025, or within 90 days of your fiscal year end.
